<b>Approach:</b> (machine translated) The watercourse begins directly below the parking lot and the illegal garbage dump.		
<b>Tour:</b> (machine translated) An actually beautiful ambience with several abseiling points including sea views becomes a health hazard due to heavily polluted, gray water. The equipment is only partially available and old.		
<b>Return:</b> (machine translated) After the 26-metre-high waterfall, leave the stream to the right and head south up the slope. You will soon find a path that leads to a slope. Follow this to the parking lot. The beginning in particular is often overgrown.
