Specialities:

Gear:

Summary: (machine translated)
Rough canyon in a secluded, wild environment - is said to be not very rewarding as a pure canyoning tour (but maybe something for loneliness fanatics)

Hydrology:

Access: (machine translated)
From Wildalpen at the church turn off in the direction of the AV campsite and cross the Salza river. After the bridge over the Holzapfelbach turn right into the Holzapfelbach valley. Park in front of the Casari forester's lodge at a no-driving sign.

Approach: (machine translated)
Follow the forest road for about 2.5km to the end of the valley. Where the road crosses the stream to the right, cross the Weissbach coming from the south and climb steeply and pathlessly on the far bank to about 1000m above sea level. At this altitude continue to the east until you reach the watercourse of the Black Ditch.

Tour:

Return: (machine translated)
Descend through the Hochstadelgraben until you reach the access forest road.
