<b>Summary:</b> (machine translated) Small canyon in rainforest		
<b>Hydrology:</b>		
<b>Access:</b> (machine translated) From the town of Basse-Terre on the western half of the island of the same name of Guadeloupe, go north on the coastal road for 10.7 km (from the airport of Basse-Terre) (via the village of Vieux-Habitants) until you reach the bridge over the river Beaugendre. Before the bridge over the river and before the village of Marigot on the other side of the river, we turn right and head northeast along the orographic left bank of the river. After 4.4 km on partly repaired and narrow tarred road - uphill and downhill - we reach a fork in the road. Here we park the car.		
<b>Approach:</b> (machine translated) From the parked car we continue on the tarred road up to the right. After 1000 m the tarred road becomes a dirt road and this crosses a stream, our stream, the Dufour ("La Ti Punch") a good 50 m further on. Here we get on.		
<b>Tour:</b> (machine translated) Short rappel; here especially also enjoys the eye. 5 rappel.		
<b>Return:</b> (machine translated) At a strong bamboo tree on the left side of the creek, we exit to the left before the last and unsecured steps down to the Beaugendre and reach our car in a few minutes on a dirt road.
