Automatisch importiert von Descente-Canyon.com für Canyon Combe Buffière Hormis la dernière, pas de relais chaîné, seulement des monopoints. La 35m équipée sur arbre méviterait une dev. Du cross training dans les bois entrecoupé de quelques jolies cascades avant d'arriver à l'enchaînement final. Le chemin de retour, celui de la fouge, est tjs interdit par arrêté Nou pensions revenir par un autre chemin. A éviter donc tant que l'arrêté n'est pas levé.
