Automatisch importiert von Descente-Canyon.com für Canyon Lanchatra Un début fastidieux suivi de beaux obstacles qui s'enchainent. Équipement très OK. Très glissant, on s'est pris une ou 2 gauffres.Malgré le débit limité, il est assez difficile de sortir de la dernière vasque. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/2278/observations.html)
