Info: ★ 0 ()

Belay: ★ 0 ()

Specialities:

Gear:

Summary: (machine translated)

Simple canyon to take a dip and go with the children.

Hydrology:

Access: (machine translated)

From Viella we will take direction to France, passing the towns of Bossot and Les.

At Km.184 there is a detour to our right towards Baussen.

At the crossroads, we will leave the first vehicle in a small esplanade on the right.

Vehicle 2: We will continue the ascent road towards Baussen and at the height of the Ermita de Santa Ana we will leave the second vehicle.

Approach: (machine translated)

In a very pronounced curve before arriving, we take a PR (path) that ascends slightly between meadows, and then descends to the watercourse.

Tour: (machine translated)

Small ravine of initiation of the basin of the Garonne River.

Lush vegetation of high mountain forest that will accompany us throughout the tour.

Return: (machine translated)

Just past the last waterfall we will find the road.
