We continue on the N04 for another 9 km and then sten onto the N 54, which we follow (on the right) in the direction of Amberieu-le-Bugey. 17 km further on we turn right to Tenay. Here we follow the D21 in an easterly direction for a few km and then turn onto the D53 towards Chaley. Before reaching the village of Chaley, turn right down to the Albarine. Here we park the car at a place designated for canyoning.		
<b>Approach:</b> (machine translated) Take the D 53 to the village and turn left uphill at the first houses. The path ascends on the orographic right side of the slope. Where you reach the water (610 m above sea level) on a level surface, this was the usual entry point. Now take the path on the right to the dam and pipe culvert and enter there.		
<b>Tour:</b> (machine translated) Varied water hike, also well suited for beginners and for experienced Canyonisti well to combine with the nearby Charabotte.		
<b>Return:</b> (machine translated) After the 5 m slide (which can be bypassed on the left) and a final optional jump (6 m), head out to the right and along the pipeline towards the village until you reach the access path on the right.
