Automatisch importiert von Descente-Canyon.com für Canyon Gorgette Petit vallon sans prétention. Aucun équipement trouvé, que des arbres. La dernière cascade ne fait pas 20m mais 27 m. Prévoir une corde minimum de 54m. Pour la remontée du Serse, il y a 2 passages qui nécessitent de faire de l'escalade. Pour le retour, la sente se situe en rive droite du Serse, environ 300m après le viaduc. On peut apercevoir une cordelette noire qui aidera certains à remonter. Le sentier est ensuite évident jusqu'au viaduc. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/22569/observations.html)
