Summary: (machine translated)
Short hiking canyon

Hydrology:

Access: (machine translated)
Take the B178 to the AU junction, continue through Au towards Mayrberg. Park directly after the tunnel.

Approach: (machine translated)
25 meter descent to the stream

Tour: (machine translated)
Short, very scenic walking gorge. I climbed it over 10 years ago, so no precise or up-to-date description. No known prominent abseiling points or jumps, but it is still recommended to take a short rope with you.

Return: (machine translated)
Exit the canyon at the bridge from the hiking trail and then climb back up the right bank, approx. 10 minutes back to the starting point.
