Automatisch importiert von Descente-Canyon.com für Canyon Arrondine Those who appreciate beautiful scenery can take the effort (30 minutes of rough road and a freestyle approach). I found the dry streambed to be a better approach than the meadow slope. 11 rappels. A fantastic natural arch! You have to work your way down this alpine canyon (an adventurous trail to the alp [30 min] and freestyle access), but the scenery is absolutely stunning. The natural arch is definitely the highlight, and yes, the tour could easily be longer. (machine translated)

Automatisch importiert von Descente-Canyon.com für Canyon Arrondine The effort wasn't quite worth the reward. It was nice, but not as nice as the Pointe Percée. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/24138/observations.html)
