Automatisch importiert von Descente-Canyon.com für Canyon Azeri Belle descente ! Attention ça glisse fort ! Des mousses présentes sur tout le parcours. Les cordes des mains courantes arrivent en fin de vie ++ (a la limite de se faire un mc simple avec ma corde). Pour la suite, après C30, au lieu de sortir RG on a continué jusqu'a la carrière, pleins d'arbres en travers mais le parcours reste agréable !
