Specialities:

Gear:

Summary: (machine translated)
Dry canyon, parallel to Morenet, very well equipped and can be combined with this on the same day or with the Patacons ferrata. Attention, unless they have cleaned the descent, it had a lot of vegetation.

Hydrology:

Access: (machine translated)
We must be located in Vilaplana, for it by the C14, exit La Selva, we will continue on the TP7013 to Vilaplana.
By the T11 to the south of Reus, at the junction with the N420 we turn to the T704 to Vilaplana.
Once there we will take the T704 towards Prades, halfway up, at pk 15.5 we will see an esplanade on the right that is the parking of the via ferrata.

Approach: (machine translated)
Access Morenet and Agustí
By the via ferrata of Patacons to the top or when you reach the Font de Roure turn right along the GR until almost the road and here to the left to join the exit path of the ferrata.
From the top heading west towards Cal Morenet we will reach a fork just before the Cal, on the left the Morenet ravine on the right we go around it until we see some milestones that we will turn left along a dry riverbed to approach (jabalineando) to the beginning of the ravine.

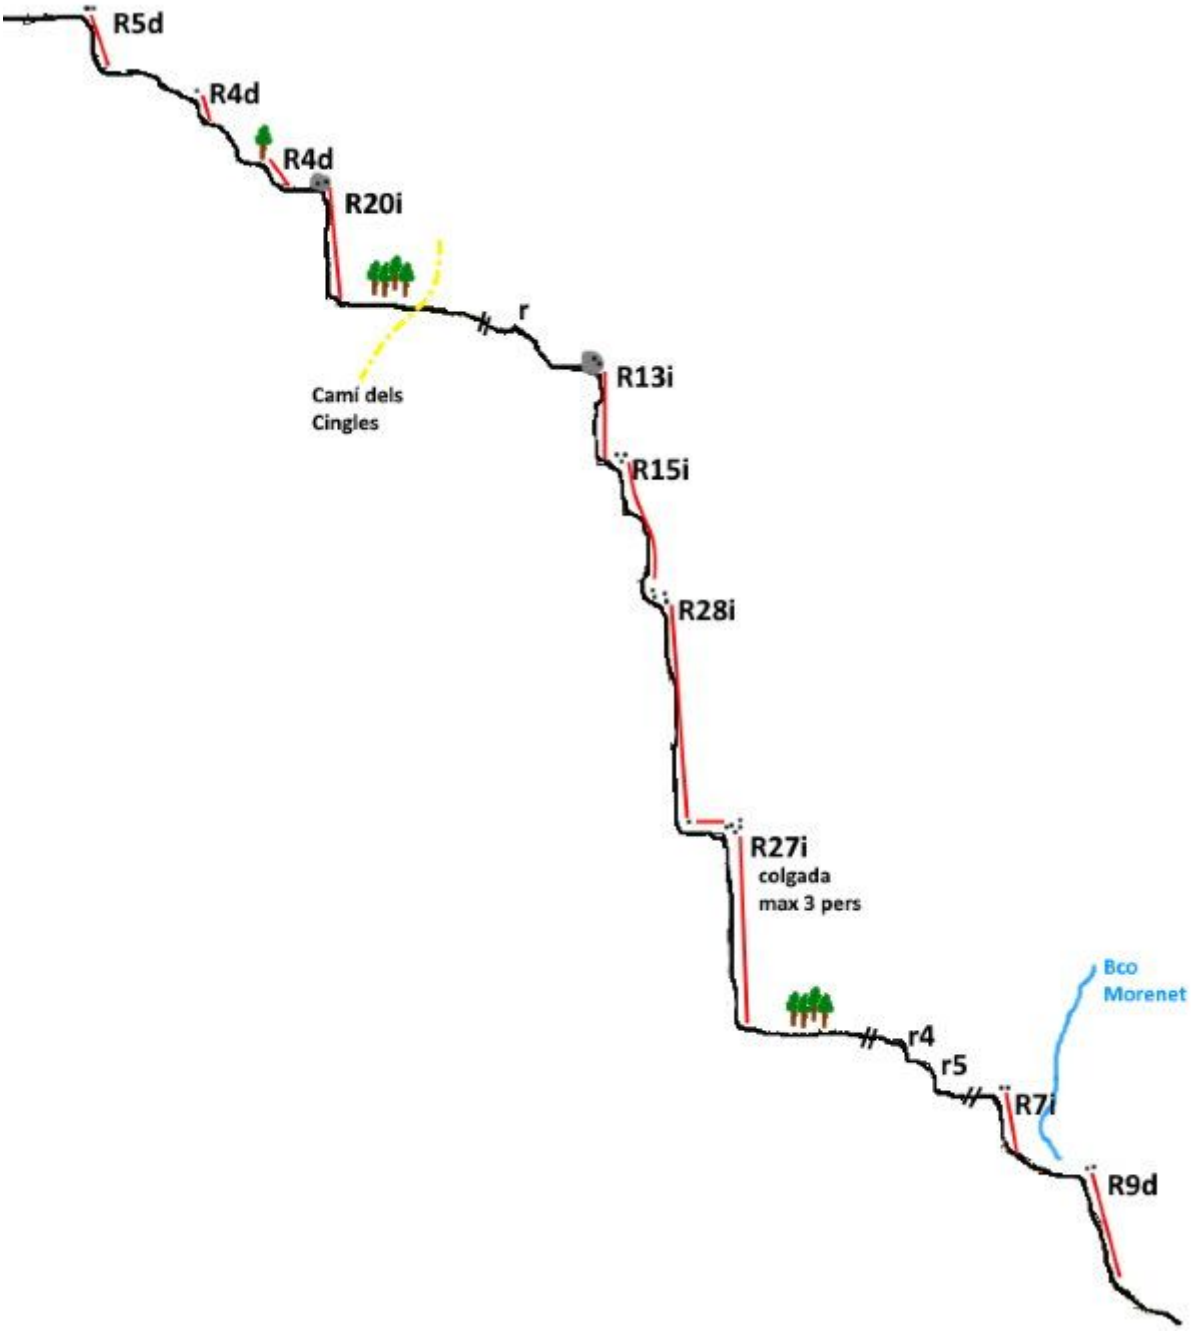

Tour: (machine translated)
A first cut with 4 rappels to descend to the Cami dels Cingles (return or escape), we will continue straight ahead to reach the 80m split vertical. Caution in the hanging meeting that only 3 people can fit. Once past the vertical, after another rappel we will find the Morenet on the left, we will do another rappel and reach the bottom.

Return: (machine translated)
We will cross a path that we will take to the right to go up the Barranc de les Tosques. From here we will go along the Camí dels Cingles with its yellow-blue markings. We will cross the Agustí and Morenet rivers, we will pass under the ferrata and we will arrive at the road.
