Automatisch importiert von Descente-Canyon.com für Canyon Ricou La Peyre DCAmarrages pas forcément bien placé, corde en mauvaise état changé, mériterait une campagne de rééquipement car amarrages pas très bien placé mais attention beaucoup de roche de m.... mettre une corde à noeud en fixe pour aller chercher le relais sur arbre dans la pente car très glissant quand c est mouillé (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/21339/observations.html)
