Automatisch importiert von Descente-Canyon.com für Canyon Salinello Nothing special at the top sections. The final section is nice, but unfortunately short. It's possible to only do this section from the bottom parking (nice area with Bbq, toilets and picnic tables). Automatisch importiert von Descente-Canyon.com für Canyon Salinello Big flow +- 150l/s, but the canyon is also bolted to do with this waterflow. Nothing really difficult. Beautiful last section. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/21400/observations.html)
