**Summary:** (machine translated)

Raw data import from Ropewiki <https://ropewiki.com/B%C3%A4rselbach>

Fairly flat and open descent that is also suitable for beginners. Many pools are so deep that they can be jumped, but you have to be prepared to reach the bottom sometimes. If you park at Kemmeribodenbad, there are two abseils in the Emme on the way back to the car. (machine translated)
