Summary: (machine translated)
Short rappel canyon for very rainy days. Good to combine with Brac gauche.
Should only be an option if everything else has too much water. Too short.

Hydrology: (machine translated)
Small catchment area, therefore mostly dry

Access: (machine translated)
From Conthey up into the valley to the indicated parking lot

Approach: (machine translated)
Follow the road over the bridge and then down the valley until the path goes up to the left in the direction of Brac Buvette. Pass the café and continue up the valley along the bisse to the stream.

Tour: (machine translated)
Steep wall with pool in between.

Return: (machine translated)
On the hiking trail back to the car
