Automatisch importiert von Descente-Canyon.com für Canyon Sugliet Pas mal de marche mais propre et agréable car ça ne glisse pas. De nombreux jolis petits trous d'eau trop de fond au début puis dans le dernier tiers les ressauts sont plus hauts et les vasques un peu plus profondes . Retour en remontant le Cuous .A faire au moins une fois (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/21432/observations.html)
