Gear:

Summary: (machine translated)
Canyon quite dressed in the area of Candelaria, same access as the neighboring Órganos. Rappels of up to 60m. Dry but better to avoid moments of intense rains for the danger that it supposes.

Hydrology:

Access: (machine translated)
We must be located in Igueste, next to Candelaria.
Banks of Igueste
The access car we will leave it in the cemetery of San Francisco in Igueste, by the TF28 we arrive to the town and we go up to the cemetery, we park in the same cemetery or following the road of the Campito, in the left curve.
The return vehicle can be parked at km 15.8 of the TF28. 15,8 of the TF28, next to the Oiganos street where we will return. We could go up this street and look for a parking space but they are narrow streets with few options for parking.

Approach: (machine translated)
Access bcos Aguire, Órganos, Fuente and Araca inf
From the cemetery, in the second left curve, there is a path to the right towards the path of the Cruz Colorada by which we will go about 500m to the path SL-TF296 to La Mesa (which comes out to our left). We go up this path for another 700m until we almost reach a canal, here we turn left and a few meters below the canal we continue parallel.
We will pass the bco de la Fuente and Los Órganos until we reach ours.

Tour: (machine translated)
See mole

Return: (machine translated)
When we reach the bottom we will be in the Tajea, we will go to the left to find some cement stairs that leave us in a private estate, we pass without disturbing and we reach the track, turn left and we will be in the street. A few meters later to the right to run into the street Oiganos, we will follow it to the road.
