Automatisch importiert von Descente-Canyon.com für Canyon Guiou Afin d'éviter la longue partie marchée qui se situe au début du canyon, nous n'avons effectué que la partie aval (voir commentaire de Chrisbiot du 04 septembre 2015). On arrive ainsi directement au départ du 3e encaissement, qui est vraiment le plus long et le plus intéressant. En procédant ainsi, on a mis 1 h pour l'approche (tranquillement) et 3 h pour la descente (sans se presser). Superbe journée.
