Summary: (machine translated)

Relatively open canyon with little water due to the reservoir

The canyon is commercially frequented and is equipped with platforms for jumping. At the exit of the canyon there is an equipped picnic area with a Kneipp path and a playground for children.

Hydrology: (machine translated)

Please note that the water level is regulated by the Neves reservoir dam; in the event of a release, a siren should sound to warn of the impending tidal wave.

Access: (machine translated)

Approach to the parking exit: drive through the Pustertal Valley to Bruneck, then turn off towards Ahrntal Valley and continue towards Lappach. In Unterlappach turn left towards the Reden Hof Hotel Park the car just before the hotel in the gravel parking place of the pick nick area.

Parking entry: take the second car back to the main road and drive past the village of Oberlappach to the first haipin bend, where you follow the signs to Zosenberg on the left. Park near the bridge over the canyon,
