Access: (machine translated) By car you drive on the Westautobahn until the exit towards Steyr. Once there, follow the Enns upstream to Reichraming. Either park the car here in the village or continue upstream along the Reichramingbach and park in the national park (note that there is a charge). Alternative access: In Unterlaussa turn off the main road in the direction of 'Knappenhau', pass here and drive over the Mooshöhe to the parking lot in the Weisswassertal (last sand road).		
Approach: (machine translated) From the barrier (approach via Reichraming), preferably by bike, always along the large stream. You will find the entry point after the 2nd steep ascent at a prominent rock with path markings (descend approx. 5m into the stream).
