| Summary: (machine translated) Dry canyon | | |
| Hydrology: | | |
| Access: (machine translated) From Corinth, drive to Pisía and turn off about 1 km east of the church onto a paved road that soon becomes a dirt track. At a clearing, you can see the path from the exit on the left and park your vehicle. | | |
| Approach: (machine translated) Follow the slope first in a southerly direction, then in an easterly direction for about 20 minutes, after which you will recognize a streambed on the left and take the first path downhill. | | |
| Tour: (machine translated) The canyon then begins completely unexpectedly, which starts beautifully incised and remains so until the exit. | | |
| Return: (machine translated) After the last rappel, follow the path on the left back to the vehicle in a few minutes. | | |
