Access:
El Risco area
We need to head to the north-western part of the island, next to the Tamadaba Natural Park, in the village of El Risco
Location: Berros, Corralete and Cho Ildefonso
We'll take the GC2 to El Risco, where we'll turn onto the GC200 heading south until kilometre marker 19.6. Once past the bends at Bco de los Berros, we'll see the Tirma track on our left. We'll drive up to the small pass; if possible, we could continue by car for a further 1 km.
We'll leave the car for the return journey on the GC200, just past kilometre marker 16, right at the Cha Catalina turn-off.

Approach:
Location: Corralete, Cha Catalina, Cho Ildefonso...
It is easy to get there from the pass; the first stream is the Corralete and the next one is the Carreño
