Specialities:

Gear:

Summary: (machine translated)
Interesting canyon with a 55m canyon rappel, good views and fast combination with Juncos. Obligatory use of 2 vehicles.

Hydrology:

Access: (machine translated)
We must be located in Igueste, next to Candelaria.
Location of Igueste-Hondo ravines
We will go up Igueste to Ajoreña street (ascending), then Maja street,... up to La Jimena street, we will follow it until it becomes a dirt track, you can park next to a water tank. If we have a high car we follow the track another 100m until we meet the Araya canal or further to the end of the track.
The return vehicle will have been left on the TF-28 at the p.k. 13,2 next to the bridge over the Los Poqueros river, next to the Agrícola bar.

Approach: (machine translated)
Access to Igueste-Hondo ravines
We will follow the track until, after passing over the ravine of the Juncos, it ends. We will continue to the right on a paved path that leads us to our ravine.

Tour: (machine translated)
See mole

Return: (machine translated)
After the R6 we meet again with the path of the gallery of the Gambuesas, it raises us to the right of the ravine to return to descend later to the riverbed. We follow the path along the riverbed with the white arrows that indicate the path to follow to the Arigoña track. We will go to the left until we reach the road.
