First inspection pending!!!

Upon request to the Office of the Tyrolean Provincial Government, Hohe Tauern National Park, Kirchplatz 2, 9971 Matrei in Osttirol, the following information on possible inspections was provided:

"Dear Mr. xxx,

In principle, we are not aware of any legal regulations that would restrict exclusive access.

The "Felbertauern area" (e.g. Daberbach) that you have specifically considered is also outside the national park area.

However, in our view it is of course necessary to ask or inform the landowners concerned (what? when? where?)."

However, you continue to visit the area at your own risk!
