| <b>Gear:</b>   |                                    |                                       |
| <b>Summary:</b> (machine translated)<br>Interesting canyon very boxed, with atmosphere, long waterfalls and comfortable access and returns but with combination of vehicles. Better not to make it with rains since it can be dangerous.   |                                    |                                       |
| <b>Hydrology:</b>  |                                    |                                       |
| <b>Access:</b> (machine translated)<br>By the TF51 between Arona and Vilaflor<br>In the p.k 4.3 is the detour to Vento where we will enter (C. Mazapé) just to reach the C/ Vento we will park the access vehicle.<br>The return vehicle must have been previously left at Caldera del Rey, which we will access from Playa de las Américas (see map).               |                                    |                                       |
| <b>Approach:</b> (machine translated)<br>We take the TF-218 path towards Roque del Conde, passing the Arena gully, we go up towards the Ancón gully, passing through the GR. We will leave it to go to the left to our ravine.   |                                    |                                       |
| <b>Tour:</b><br>Ver topo   |                                    |                                       |
| <b>Return:</b>   |                                    |                                       |
| <b>Coordinates:</b><br>Canyon Start <a href="#">28.1007 -16.6906</a><br>Canyon End <a href="#">28.0824 -16.7057</a><br>Parking at Entry <a href="#">28.1015 -16.6872</a><br>Parking at Exit <a href="#">28.0821 -16.7082</a>   |                                    |                                       |
