Summary: (machine translated)
Beautiful, sunny rappel canyon after rainfall or in spring.

Hydrology: (machine translated)
Captured tour
Call Ofima!

Access:

Approach: (machine translated)
From the parking lot, follow the hiking trail to Stabbio. After about an hour, the trail becomes noticeably flat and turns right. Here a path with faint tracks branches off to the stream.

Tour:

Return: (machine translated)
After the last rappel, climb down a few more blocks. Then left up onto the meadows, down towards the house, right in front of the house until you reach the road.

Not such a nice water color at the moment, as everything is covered in a brown layer of algae. But it was still nice and sunny (machine translated)

Access will probably be officially permitted again from 9.5.2025. Water drainage renewed and no longer fully automatic. Signs will be installed as soon as possible.... Call Ofima! (machine translated)
