Summary: (machine translated)
Raw data import from Ropewiki https://ropewiki.com/Alva_Glen

Alva Glen is a charming slot canyon near Stirling that's great for long summer days. It has fun slides and a great winding waterfall in the main canyon aptly named The Corkscrew. It's well bolted and is often run commercially along with its sister canyon Dollar Glen. The Glen has much infrastructure from the weaving industry and has 3 dams across the river during the decade.
