Specialities:

Gear:

Summary: (machine translated)
Like its neighbor Águila, it is a canyon to be done in winter or after rains. Possibility of good jumps and two rappels of almost 50m that with water are a delight.

Hydrology:

Access:

Approach: (machine translated)
Access to the Toro and Águila banks
We will follow north direction leaving behind the cheese factory, after 200m there is a track to the left that we do not take and 500m later the track divides, to the right bank of the Águila and in front of the Toro.
We will continue straight ahead until we go up to the esplanade next to the Alto de las Pasadas, once here we turn left to go down to the riverbed.

Tour: (machine translated)
See mole

Return: (machine translated)
After the second long rappel we will see some milestones on the left to go up a more comfortable hill.
