We must be located in Collbató in the heart of Montserrat.
Once in the village we will go to the Cova de Salnitre to a picnic area near the Ermita La Salut where we will park.

Approach: (machine translated)
We will go up the torrent Fondo and then by the PR we will look for the Garrigoses pass and go down the ridge to the channel.
Another option:
We go down to the village to Pau Bertran street to turn right along the Drecera from which a path goes up to the viewpoint of Far Gari to take the path that crosses the Font Seca (on our right) and go to stop at the Canal del Xaco and climb it up to the ridge, below the col of Garrigoses.
