| Tour: (machine translated)<br>After a little walking period you reach the biggest rappel anchor on the right. After the rappel the canyon get narrower and little waterfalls follow each other with little walking distance. After the last waterfall 10m, you will find after 5 minutes on the left side you find the retour path back to the road. |                             |                            |
