Automatisch importiert von Descente-Canyon.com für Canyon Hundsbach Manque la plaquette du 1er amarrage mais toute la suite ok en mono point. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/22867/observations.html)

A great canyon with some beautiful spots, especially in the lower half. In the upper third there are currently many small to medium-sized trees that have been felled and dumped in the canyon. It was quite slippery in many places. The anchors were all in good condition. (machine translated)

Super nice photogenic canyon. Not very slippery. Water level unproblematic. Good anchoring. (machine translated)
