Specialities:

Gear:

Summary: (machine translated)
Canyoning in the foothills of Pico Almanzor, for lovers of extreme canyoning. Boxed and open areas with beautiful rappels and some technical areas.

Hydrology:

Access: (machine translated)
Situated between Candeleda and Madrigal de la Vera (CL501), we will arrive at the village of El Raso.
We will follow the signs to the Castro until the Mirador de Gredos Restaurant, just outside the village, where we will turn left towards the Castro Vetón de El Raso (reference point in Maps). We will follow this track to the bridge over the Pinillo stream (6.7 kms from El Raso), here the track makes a sharp right turn and straight ahead leaves us on the bridge. We park.

Approach: (machine translated)
We leave by the path of the Tejea gorge, we will leave the detour of the Canales Oscuras on the right, with the imposing presence of the Almanzor and the next gorge on the right, under the Galana, is ours.
We will go up the ravine by a path not very marked by its orographic right up to 1800m.

Tour: (machine translated)
Alpine descent in the central massif of Gredos, almost without facilities, we must carry enough material.

Return: (machine translated)
When we reach the bottom of the gorge we will finish the descent, we will only have to retrace the access path.

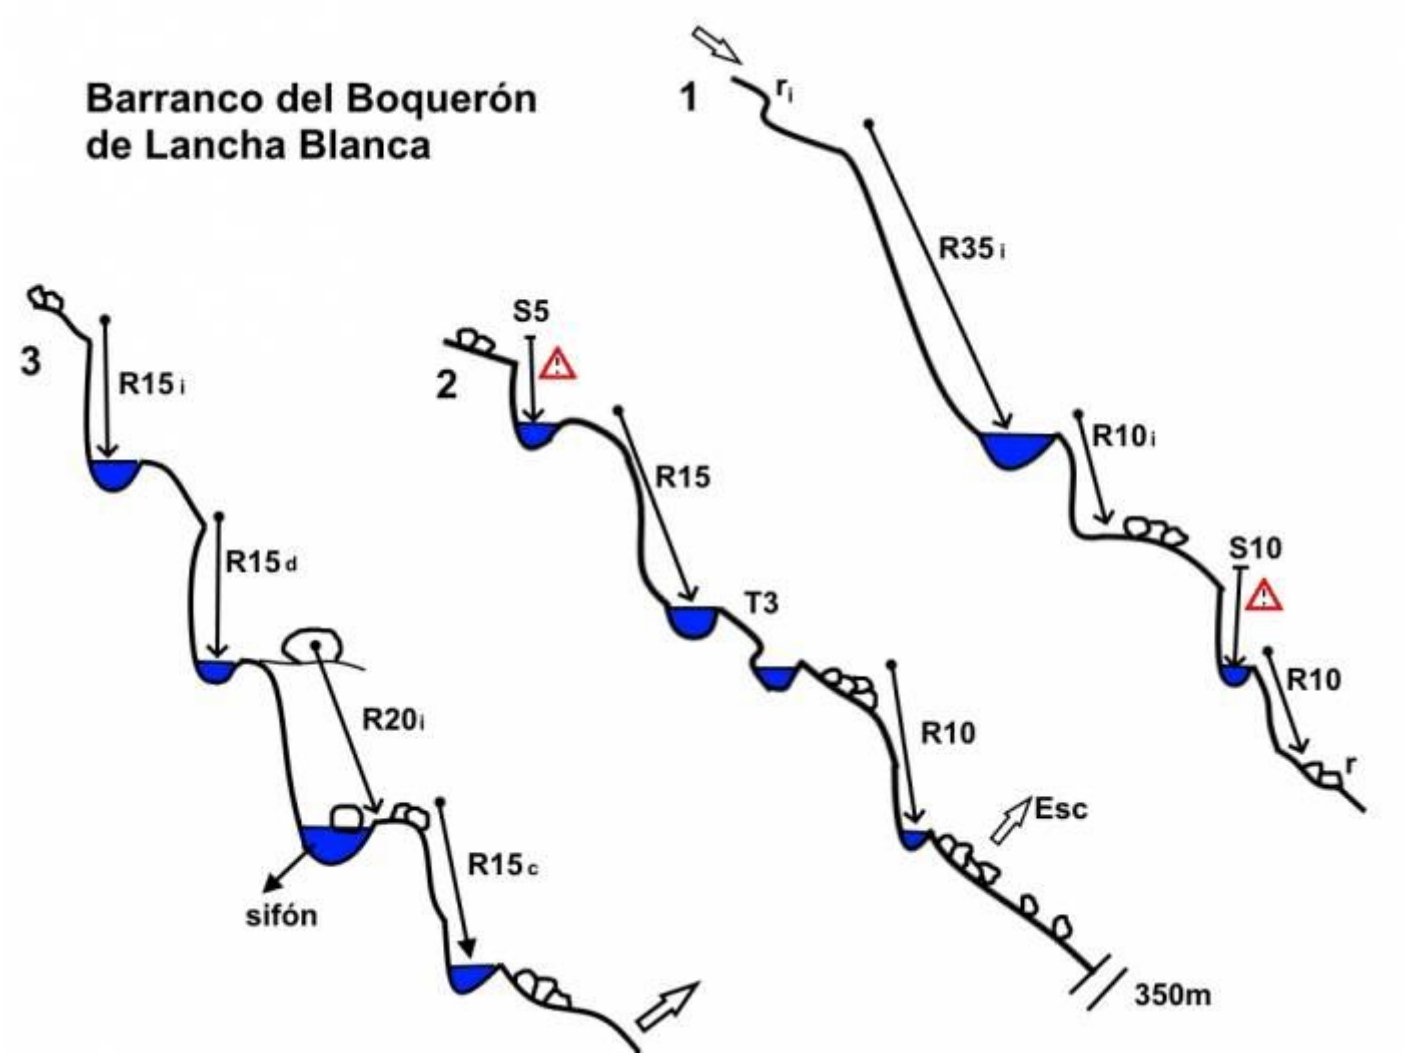

Coordinates:
Canyon Start 40.2464 -5.3200
