Season: January - December	**Orientation:**	**Best Time:**
Rating: ☆ 0 ()	**Info:** ★ 0 ()	**Belay:** ★ 0 ()

Specialities:

Gear:

Summary: (machine translated)
Dry canyon, for beginners, with easy accesses and returns.

Hydrology:

Access: (machine translated)
We are located in Fortuna (Murcia). We can arrive from the A30 exit 121 to Fortuna by the MU411. Or also by the A7 exit 559 to take the RM423.
Once in Fortuna we must go to Caprés. We can go along the MU17A (Fuente Blanca) almost 3kms until a left curve where the A25 comes out on the right.
We can also go through the Baños de Fortuna C3223, we pass it and soon a traffic circle that we take to the left, to the A25 (Caprés).
Past Caprés towards the MU17A we will find some curves linked with some abandoned houses on the left (Caprés de Arriba) and a track. We will leave here and park after 1 km.

Approach: (machine translated)
We continue along the track for another kilometer until we pass a crop field where we will see the ravine on our right. Surrounding the field we enter the riverbed.

Tour: (machine translated)
Simple, for beginners. Many rappels can be climbed and some have handrails to practice.

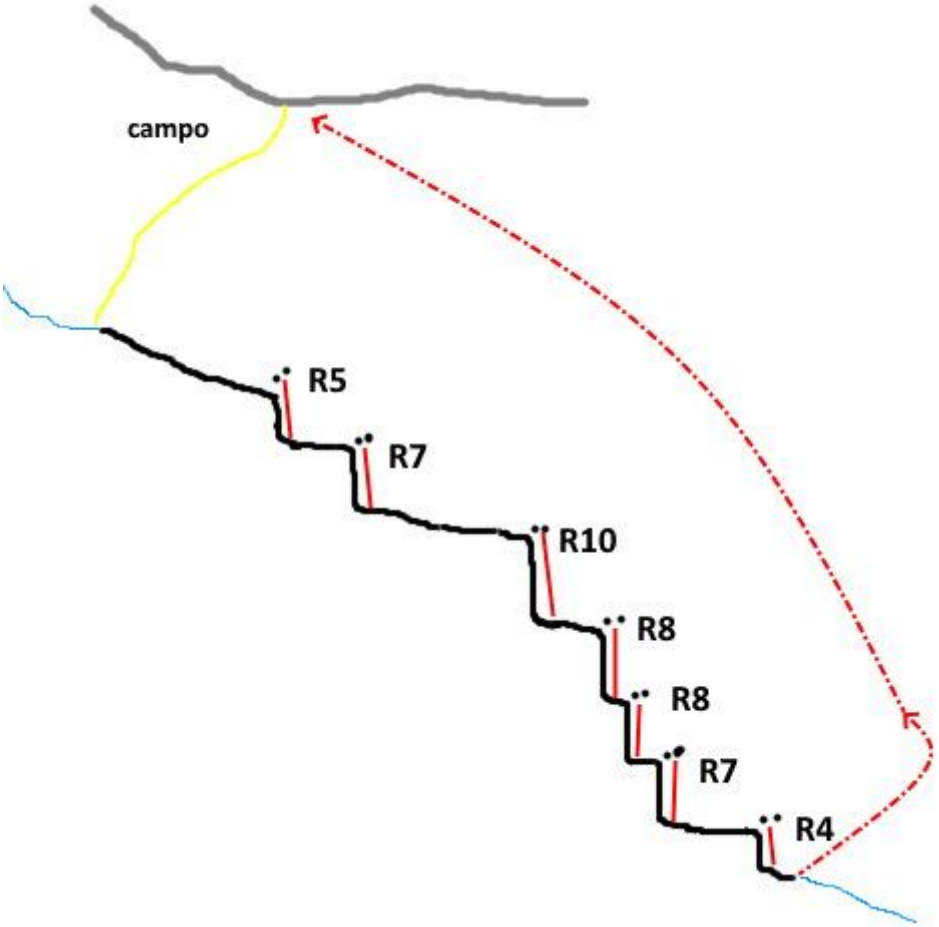

Return: (machine translated)
After the last rappel we left to go up the slope parallel to the ravine to the access track.

Coordinates:
Canyon Start 38.1827 -1.1267
