**Summary:** (machine translated)
Dry canyon to continue with Rumbau, long but very interesting approach through the Coll de Mur and the Roca del Corb.

**Hydrology:**

**Access:** (machine translated)
Access to Bcos Rumbau
We will go up the C14 towards Seu de Urgel/Andorra. After passing Oliana we will have a detour to the left to Peramola. In the pk 3 of this road we have the detour to the left to Tragó and to the right to the Hotel Can Boix, we go towards the hotel and next to it there is an esplanade where to park.

**Approach:** (machine translated)
We pass the complex on the right and after passing the swimming pool we take the path that climbs to the left towards Quatre Camins (the pass) and the Roca del Corb. The path takes us directly to the hill where we find the track that we will have to follow up to the Roca del Corb. At the top we can visit the house, the hermitage, etc.. If we follow the track around the north of the rock, we will pass through the entrance to the barrando of the Roca del Corb and a little further on we reach the Coll de Mur, after it the Roca Llarga and we arrive at the Cathedral, where our descent begins.

**Tour:** (machine translated)
Simple descent leading to Rumbau

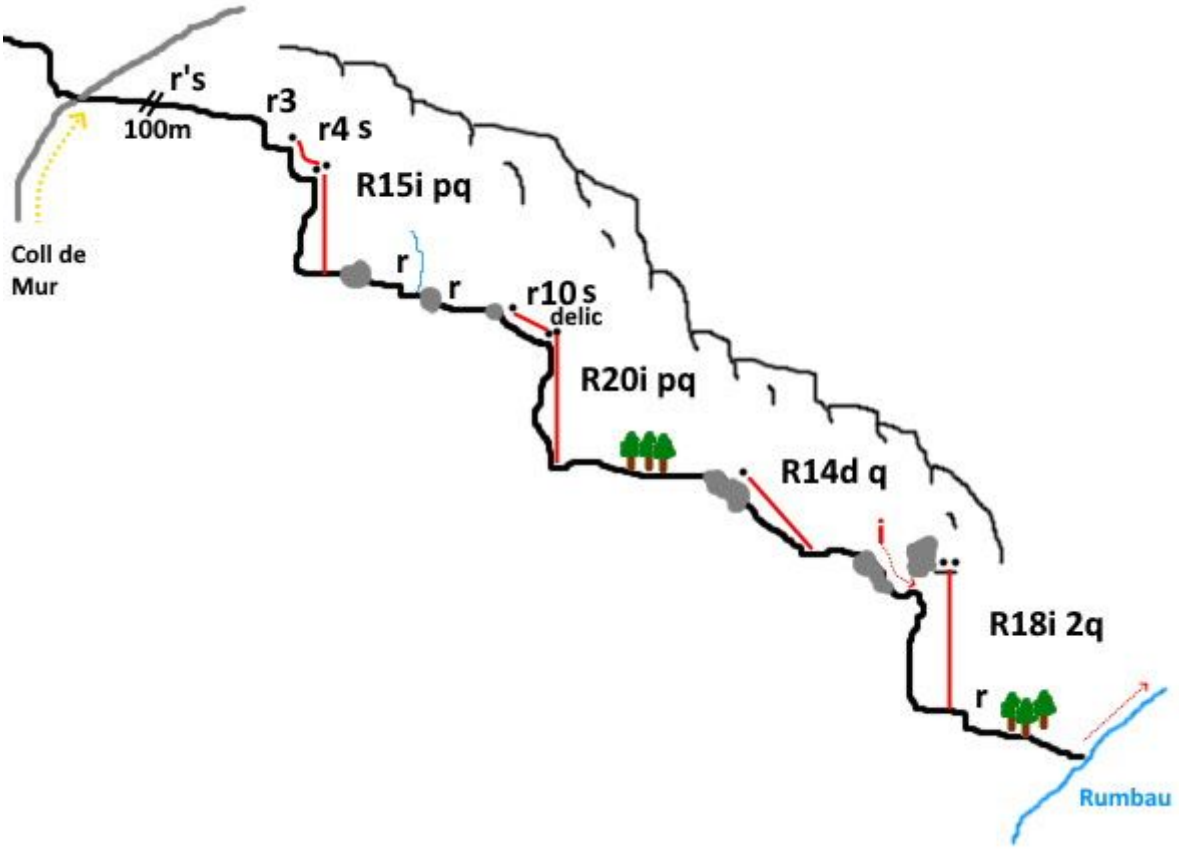

**Return:** (machine translated)
For Rumbau Bank
