| 2025-01-20   Jason Walker   ★★★★★   📖   ⚓★★★★   🌊 Low   🍏 Completed<br>Great value. The start to the approach is a little hard to find - walk east of the bridge, then between two road edge reflectors about 40m apart, you'll know youre in the right place when you find the worn track. Quick walk in. A number of little jumps, an awesome main abseil just before the wicked final slide into the pool below the bridge. |                                    |                                   |
