**Tour:**
The highlight of this descent is the final abseil: the huge drop of almost 100 metres. The rest of the gorge is, one might say, rather unremarkable. The 98-metre drop is split into sections and features a comfortable, wide ledge. To reach it, you need to make a one-metre pendulum move.

**Return:**
After the big abseil, a chaotic section, a 12-metre abseil and the road where our car is parked.

**Coordinates:**
