2025-10-18 System User 📖 📍 🌊 Dry 👍 Completed Automatisch importiert von Descente-Canyon.com für Canyon Aguila Garé au parking de la chèvrerie, la piste est carrossable. Un bonjour aux fermiers pour leur annoncer que l'on fait la descente du canyon. Traversée du cheptel de 500 chèvres ce jour, ça fait du monde!Accès évident avec opentopo. Relais en bon état. 3 vasques avec nage obligatoire ce jour, en short ça le fait, eau pas froide du tout et non croupie.Le dernier rappel passe avec une 60m à double.Pour le retour, bien rester à main droite pour s'élever et tomber sur la sente et la mini via ferrata.
