Automatisch importiert von Descente-Canyon.com für Canyon Innersbachklamm A short, fun canyon. A hiking trail runs the entire canyon - you can get to the beginning from the bottom using the trail. There's probably no need to walk from the top (and leave your car at the top) (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/22116/observations.html>)
