Summary: (machine translated)
Vertical dry canyon

Hydrology:

Access: (machine translated)
From the village of Paşali, an initially paved road leads uphill. After a hairpin bend, a dilapidated stone house appears on the left. Park the car here.

Approach: (machine translated)
Follow the slope to a fork and follow the slope (several times impassable) over several hairpin bends to the entry. The first cascade is clearly visible.

Tour:

Return: (machine translated)
Follow the stream for about 5 minutes. After a prominent bend to the left, you will recognize the path that leads back to the car.

After the heavy rainfall, this dry gorge was sensational. Beautiful rappels, almost always in the sun. An intermediate stand is unusable, some stands are missing a maillon. (machine translated)
