<b>Reports:</b>		
2024-03-03   Christian Balla   ★★ ★   📖   📍 ★★   🌊 High   🍏 Completed As in the other parts of the Cales, some walking passages, but less than in Cales 3. Good anchor points where available. In some places more anchors would not hurt if there is a lot of water. Verticality "easy" except for the last rapel - the C30 is superiore, but reaching the 2nd anchor is not trivial. (machine translated)
