| Summary: (machine translated)<br>Short lime canyon that is beautiful but unfortunately too short.  |                             |                            |
| Hydrology:   |                             |                            |
| Access: (machine translated)<br>Drive up to Nasch, please remain friendly with the residents.  |                             |                            |
| Approach: (machine translated)<br>Take the hiking trail up to Alp Nursas, and once above the canyon, head down the slope.  |                             |                            |
| Tour: (machine translated)<br>First a few smaller steps in a great gulch. Then comes another 30m, after that it is less continuous and at the end you have to walk through blocks for a while. |                             |                            |
| Return: (machine translated)<br>Short thing to Nasch.  |                             |                            |
