<b>Reports:</b>		
2025-08-18   Marco Wahler   ★★☆☆   📖 ★   📍 ★★   🌊 Low   🍀 Completed On the access we had to rappel the last 8m down the tree to get into the canyon. Some of the rappels in the canyon are high. We extended them with carabiners to make it easier to reach them. The penultimate rappel has to be climbed on the left! (machine translated)
