Specialities:

Gear:

Summary: (machine translated)
Simple torrent to descend with rappels up to 28m, generally dry and with facilities to be checked.
Check the exit because you leave through a farm (there would be other exit options).

Hydrology:

Access: (machine translated)
By the Ma11 road that goes up from Soller to Coll de Soller.
Access to Angelè and Biniforani
The access vehicle will be left at the Coll, at the viewpoint or at the viewpoint below.
The vehicle of return we will leave it in the p.k. 16

Approach: (machine translated)
Angelè and Biniforani accesses

Tour:

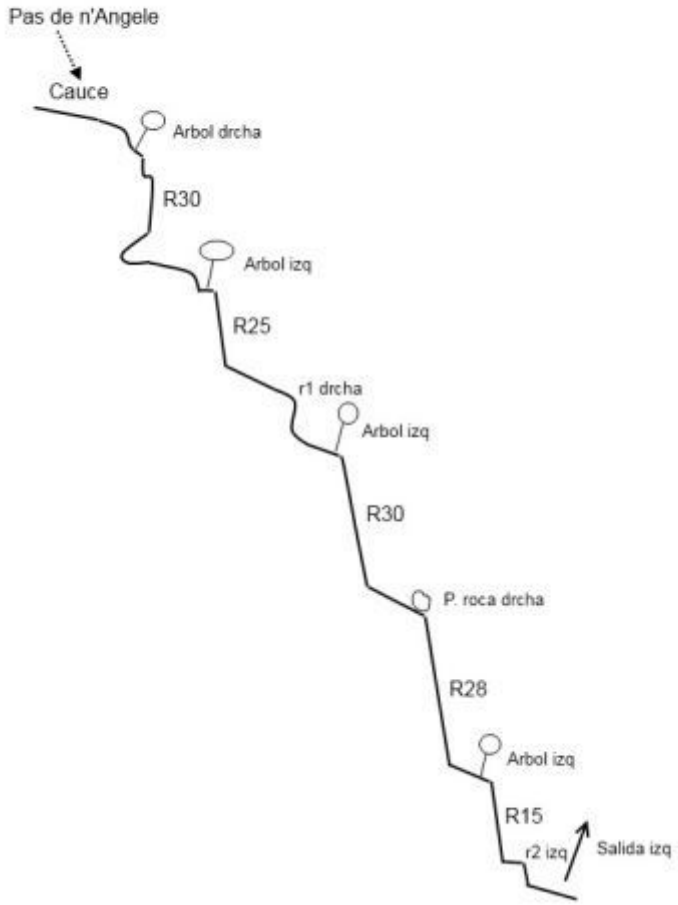

Return: (machine translated)
We will follow the riverbed downhill to find a track that leads us to a private property, we will pass it and we will arrive to another track that will leave us on the road.

Coordinates:
Canyon Start 39.7288 2.6859
Canyon End 39.7078 2.6889
