Nice half a day tour, first section filled with a lot of wood, middle and third section no specific remarks. Low but still "cold" water. Some jumps are possible we decided to descend all waterfalls, MC and handlines are adequate and in good condition.

The downstream parking is not available, it's forbidden to enter the road to the electricity station. (August 2025) Park somewhere in the small village is your only alternative. Don't disturb the neighborhood while changing your clothes.

Automatisch importiert von Descente-Canyon.com für Canyon Flumen Intégral parcouru sans problème. Observations : nous n'avons pas trouvé le relais sur la C4, nous avons emprunté la MC probablement prévue à cet effet + une des plaquettes d'amarrage sur la C8 (2ème partie) tourne. Pour le reste RAS, canyon bien équipé (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/2195/observations.html>)
