Summary:
An open and vertical alpine gorge

Hydrology:

Access:

Approach:
Starting from Alpe Bill, which can be reached by cable car from Macugnaga!

Tour:
A succession of large rappels, up to 70 metres high, including a truly spectacular 35 m free-hanging rappel. Around 450 m of vertical descent, mostly down low-angle rock slabs. The route offers magnificent views of Monte Rosa and the entire valley below. Overall, it is a descent well worth doing. All anchors are equipped for double-rope rappels; just be careful during rope retrievals, as a few rocks may come down along with the rope.
