Ropes: 2x35m

Summary: (machine translated)
Rappel canyon in granite, south-east facing

Hydrology:

Access: (machine translated)
From Kathmandu on the Prithvi Hwy westwards towards Pokhara. After 130 km in 4 hours - if we walk well - we reach Dumre. You can also get here from Pokhara after 67 km in a good 2 hours. In Dumre, we turn north into the valley of the Marsyangdi River and reach Besisahar after 42 km and 1.5 hours. This is where the paved road exits (2011). Now continue on a dirt road for 24 km or 75 minutes to the village of Syange. This is also the approach if you start the Annapurna Trek from the east, i.e. counter-clockwise. Here or in the vicinity (e.g. in Germu on the other side of the river) we stay for the ascent of the surrounding canyons.
From Syange 7.3 km in the direction of Besisahar. This is the starting point for access and also the exit of the return route, unless you have a car on the road at Dod Kabindra Khola,

Approach: (machine translated)
We take the path up towards Arkhale. After not quite 30 min. we reach the small schoolhouse at 1100 m altitude. Here we leave the path to the village and take the path here, which leads us at first only slightly uphill in a southwesterly direction in another 30 min. to the stream. Finally, a few meters downhill and we are at the entry (see Google trail sketch at "Photos").

Tour: (machine translated)
cf. photos !

Return: (machine translated)
After the last rappel, arrive in the bumpy streambed and follow it down to the road.
