Spring, preferably after a rainy period. Very low flow up to the foot of the sloping surface, then nothing more.

Access: (machine translated)
Take the A10 highway to Diano Marina. From Ventimiglia take the Imperia Est exit, from Genoa take the Bartolomeo al mare exit.
Drive towards Diano Castello, turn right at the first traffic circle into Via San Pietro. Continue towards Diano Evigno.
(The road that passes at the foot of Diano San Pietro is better than the one that passes at the foot of Diano Castello and Diano Borello).
Park below the church on a left-hand bend (garbage cans, kindergarten).

The road that branches off to the right leads through the valley.
