The nice lady at the ticket counter was a little confused about what we wanted. The canyon itself is really nice, and the stands are great, too. (machine translated)

Everything is in good condition, but before you do the 7m down, first make ready for the next waterfall, the 5m hooks on the left are all broken off. And * 7m abseil from hook left (2018 fixed rope). is also not there, we have used the tree in the pool for anchor. (machine translated)
