Automatisch importiert von Descente-Canyon.com für Canyon Burenta Enfin une trace parfaite pour l'approche :) Canyon très sympa, exigeant physiquement. Beaucoup de monopoints dont 2 ou 3 en hauteur. Ca mériterait une descente en groupe pour compléter l'équipement. Il mériterait une meilleure note. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/21329/observations.html)
